It's January and time to enjoy the warmth and fragrance of a cup of freshly brewed tea! Join fellow ILR members in a “TEA 101” Zoom Social Activity on Friday, January 15, 2021, from 10:00 a.m. - 12:00 Noon. Diane Warth is the Director of the Virginia Tea Society. She will be sharing the history of tea, information about steeping and everything in between. You will gain insight into the long standing tradition of tea drinking through the ages.

After the presentation, we will have a fun “Tea Trivia” – a social ZOOM Activity. Remember Trivial Pursuit? We will have a “tea” version for your participation and enjoyment.
