

## Members' 2021 Virtual Art Show

*Are your art projects progressing? Or have you tried a new craft or hobby? Maybe you are making gifts or going through photographs.*

### Now is the time to share results!

For January I'd like to install a slide show on the ILR website showing artwork from our membership. The work stays with you, but its digital image travels to amaze and inspire others. I'll work on the details later. **Just let me know now if you are interested in participating in our 2021 Virtual Art Show.**

Besides paintings and drawings, I'm hoping for sculpture, furniture, photography, glass painting, jewelry, ceramics, fiber arts, paint pouring, and whatever our creative members are exploring—and whatever can be photographed.

Months after the 2020 ILR Art Show was cancelled, participants sent me digital images of their work for a slide show on the website. Visit [www.ilrvb.org](http://www.ilrvb.org) to see the lovely collection. I expect the January 2021 virtual art exhibit to be bigger and more diverse.

I'm eager to take this idea further, so let me know if you are interested. Contact me at [franscott3@cox.net](mailto:franscott3@cox.net), or call the office 757-756-4861. I will develop details and a schedule when I hear your ideas.
