Over The Rainbow

By the Virginia Musical Theatre

Hop on the infamous yellow brick road in this original musical review starring “two best friends” – Tiffany Haas (VMT’s Mary Poppins and Broadway’s Glinda in *Wicked*) and Michael McCorry Rose (Broadway’s Fiyero in *Wicked*). *Over The Rainbow* highlights Tiffany’s own yellow-brick-road journey to Broadway, one filled with ups and downs, potholes, wrong turns, interesting people and incredible life-changing experiences. With original music by Stephen Schwartz (*Pippin*, *Godspell* and *Wicked*) and memorable music from *The Wizard of Oz*, *The Wiz* and other Broadway hits, this new review features a large ensemble with special guests of Tiffany and Michael, all supported by a live orchestra.

Where: The Sandler Center of the Performing Arts,
